

We are currently inviting sponsors for the 5th Joint Nordic Conference on Remediation of Contaminated Sites, NORDROCS 2014, which will be held in Stockholm on the 15-18th of September, 2014.

NORDROCS 2014 offers a unique networking platform for professionals in the Nordic and Baltic Sea countries who work with contaminated land management. More information on NORDROCS can be found on the conference website: www.nordrocs.org.

A sponsorship of min. € 1.200 will give you multiple publicity opportunities:

- Your logo and business name on the official NORDROCS website, as well as the front cover of the conference program, final call for abstracts flyer and the "register now" flyer.
- Your logo will be shown on presentation screens before and after sessions and during breaks.
- You will be mentioned and thanked in the opening speech.

We would also like to draw your attention to the possibility of presenting company activities in the exhibition area. The fee for an exhibit will be € 750. The exhibition area is also the location for coffee breaks and other social activities, bringing maximum exposure to your publicity material. The number of spaces in the exhibition area is limited; places will be allocated on a "first come, first served" basis, with priority given to conference sponsors.

If you are interested in sponsoring NORDROCS 2014, applying for an exhibition space, or if you have any questions regarding sponsorship please contact the conference service:

Ulrica Edström, Resia, ulrica.edstrom@resia.se tel: 060-52 53 00

Or the representative in your country:

Ulrika Larson, Empirikon Konsult, ulrika.larson@empirikon.se, tel: 0708-473 475

We look forward to hearing from you!

With the very best regards,
on behalf of the Organizing Committee,

Peter Harms-Ringdahl
Coordinator of NORDROCS 2014
